Cancellation Policy:

To ensure fair access to appointments, we require **at least 2 business days' notice** for cancellations or rescheduling.

Example: If your appointment is scheduled for Monday at 10 AM, the latest you can cancel without incurring a fee is Thursday at 10 AM.

Public holidays are not considered business days.

Short-Notice Cancellations may incur a fee equivalent to the full session cost.

Medicare rebates are increasing:

From 1 July 2024, the annual Medicare Benefits Schedule (MBS) fee indexation has increased rebate amounts. If you have a Mental Health Treatment Plan (MHCP) or an Enhanced Primary Care (EPC) Plan, you may be eligible for Medicare rebates on select services. Additionally, once you reach your Medicare Safety Net, you may be entitled to a higher rebate for out-of-pocket costs. Families and couples can register together to reach the threshold sooner.

Private Health Insurance

Many private health funds provide rebates for psychology, occupational therapy, and speech therapy services. Check with your provider to determine your coverage.

NDIS (National Disability Insurance Scheme)

We support self-managed and plan-managed NDIS participants. Services can be tailored to meet your plan's requirements.

Workers' Compensation & Insurance Claims

If you're receiving therapy services through a workers' compensation claim or insurance provider, we can assist in coordinating payments directly with your insurer.
